To,

The Deputy Commissioner,

Shimoga District

S H I M O G A

Sir,

In inviting your kind attention to my reminder dated 16th June 1926, in the matter of acquisition of the land which has been obstructed by one Subbanna for my bringing Manganese Ore from my mines near Masarhalli, I beg to state here that all my communications addressed to you in several different dates have not received your kind attention. In my reminder letter referred to above I had stated that your order of acquisition has not been given effect to by your subordinates hitherto and in this connection I request permission to bring to your kind notice that your kind orders were wantonly disobeyed by the Sheikdar Mr. H.B. Shama Rao, Bhadravati who has now been transferred to Augumbi and as a consequence of this unexpected mischief on the part of the said Sheikdar, not only I have suffered a serious loss in all ways but also such unpleasant correspondence to your honor, for the last about 8 months and even more.

On the 13th of this month, myself and another resident of Masarahalli by name Mr. Girianna gave written agreement to the new Sheikdar Mr. H. Sripati Rao and in the agreement I have agreed to meet out the cost to the extent of the land that belongs to Subbanna. In the muchalika executed by Mr. Girianna he has stated that he would allow the land free of cost for the benefit of the generous public. On this occasion, the Sheikdar and myself sent for Subbanna about half a dozen times, but on every time we got a negative reply to the effect that he was not at home, but in reality we came to know that he did remain that day in his house and did not attend the call of the Sheikdar with a bona fide intention.

Finally, to come to the point direct, I request you to be pleased to acquire the land in question and thus favour me with your kird permission to allow my manganese loaded carts to pass unobstructed by any one and thus save me from incurring any more damages in the concern notwithstanding the damages I have already sustained.

Eagerly expecting your kind orders and thanking you in anticipation.

I beg to remain,
Sir,
Your most obedient servant,

(Sd) Coorg A. Ganisaiy

To

GEN. & REV. SECTT. BR. 2C 20. AUG. 1926 G. D. SECTION.

C. Ranganatha Rao Saheb, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
REVENUE DEPARTMENT.

Sir,

I have the honour to invite a kind reference to the correspondence ending with G.O.No:I.C.52/Geol:110-25-6, dated 5th July 1926, sanctioning an extension of time by 6 months - from 1st July 1926 in favour of Mr.Abdul Gani Sait for the - removal of the manganese ore stacks from Kenchammangudda and Balekatte Mines near Masarhalli Railway Station. The order was duly communicated to Mr.Sait and he now comes forward with a further representation, dated 17th August 1926, praying for reasons stated therein for the extension period being altered to one year, i.e. up to 30th June 1927 A copy of the petition is forwarded herewith for the orders of Government.

2. Mr.Gani Sait when purchasing the ore stacks never anticipated the difficulties that lay for their removal to the - nearest Railway Station and the obstruction from the private owners of lands where the carts have to pass through is certainly a handicap and it is necessary that relief must be given him by acquiring the land required for the purpose. He is also agreeable to pay the acquisition charges

3. Most of the period of six months now granted under the order referred to above covers a part of the rainy season when work in the malnad will not be possible. Mr.Gani Sait further represents that he will be going out to his native country Kathiawar - for domestic reasons.

4. The above grounds on which he applies for the time being extended up to 30th June 1927 are quite sound and reasonable and

and I beg to recommend that his prayer may be granted

5. It is also necessary that early orders should be passed in the matter of the acquisition of the land required for the cart tracks as already recommended in this office - letter No.749-1 dated 5th April 1926.

I have the honour to be,
S i r,
Your most obedient servant,

B. Foote.

COORG ABDUL GANI SAIT & A. RAHIM SAIT,
MINERAL ORE & GENERAL MERCHANTS, NO.34,
B E N K I N A W A B S T R E E T.

BANGALORE CITY,
Dated 17th Aug.'26.

The Director of Geology,

in Mysore, B a n g a l o r e .

Respected Sir,

DIFFICULTIES TO TRANSPORT MANGANESE ORE FROM BALAKATTA AND KENCHAMMANAGUDDA MINES TO MASARAHALLI RAILWAY-STATION.

-o-:-:0:-:-o-

We beg to bring the following to your kind notice for favourable consideration:

Owing to the obstacles caused by one Subbanna, a resident of Masarahalli, to our carts carrying Manganese Ore from Kenchammana gudda and Balakatte Mines, we have sent in many petitions and telegrams, both to you and to other Competent Authorities requesting them to give us facilities for safe carriage of Ore from the aforesaid mines to the Railway Station Siding, Masarahalli

Further, we have also written to the Deputy Commissioner, Shimoga District, that we would be quite prepared to bear the compensation that may be awarded for acquiring the extent of the land which belongs to one Subbanna and we have not been favoured with any reply till now. The fact, that there is no proper road, for passengers coming to Masarahalli Railway Station from the surrounding villages, has also been well recorded and established and it is also quite clear to you.

Owing to obstructions caused by Subbanna, and the delay on the part of the Land Acquisition Officer to acquire the said land we are subjected to untold losses in all ways. At the outset, we understood from your Notification No.339 dated 9th Sept.1924, that there would not be any such difficulties, since it had been clearly stated "THE NEAREST RAILWAY STATION FROM THE SAID MINES TO MASARAHALLI". We also interviewed the Revenue Secretary to Government in this connection who was pleased to inform us, after considering all our difficulties, that he would do the needful as soon as the

the connected records were received from the Land Acquisition Officer.

Under these circumstances, we once again request Your Honor to take such steps as are necessary to remove the obstacles caused and to enable us transportation of the Manganese Ore from Kenchammanagudda dnd Balakatte Mines to the Nasarahalli Railway Station Siding.

We lastly beg to add that in your letter No.606/14 lated 10th July 1926, you have been pleased to grant to grant us an extension of 6 months in view of our aforesaid troubles, and in this connection we beg permission to add that during these 6 months' extension granted to us, as you are fully aware of, no work can be turned out in Malnad Tracts and that too - especially this being rainy season no cart, no workmen will - endanger in the thick of the Green Jungles; and we also intend going to our native place Kathyawar for celebrating our children's marriages. And we once again request your honor to be so kind as to extend the said period of extension to a - year commencing from 1st July '26 to end of June 1927, as already requested by us in our previous communications submitted to your honour.

Hoping to hear a favourable reply and thanking you in anticipation.

We beg to remain,
RESPECTED SIR,
Your most obedient servant,

Sd/- Coorg A. Gani Sait,

LB 33-26—22

Sir,

Acquision of certain land for a path way in Masarahalli village, Shimoga.

I have the honour to submit herewith in duplicate in English and Kanada a declaration statement for the acquisition of 19 guntas of land in S.Nos.41-43-45 and 46 of Masarahalli villag in the Shimoga taluk required for a cart-track leading from Masarahalli village to the Railway station and to request that sanction may kindly be accorded to the same and the Treasury Assistant Commissioner, Shimoga may be authorized to take order for the acquisition of the said properties.

2. I have inspected the village Masarahalli has no approach to the Railway Station and the acquisition of lands for the cart track is necessary. The Executive Engineer for Railways is also of opinion that a feeder road is needed for all traffic and may be acquired for the use of the general public. This road is also necessary for the transport of Manganese Ore from Kenchammanagudda and Balekatte Blocks. Mr.A.Gani Sait, holder of the license to remove the ore from the blocks above referred to has come forward to pay the cost of acquisition. The value of the land is estimated by the Mahajardars at Rs 50/- per acre. Mr.Gani Sait has been desired to deposit the cost of acquisition. The Taluk Board have no objection for the acquisition and the villagers say

that this cart track is needed.

3. In the interest of the Revenue, Railway and Geological Departments the acquisition is urgently needed. I request therefore that under section 17 of the Land Acquisition Regulation, Treasury Assistant Commissioner, Shimoga may be authorized to take possession of the said properties before the passing of the formal award.

4. The records bearing on the subject accompany.

I have the honour to be,

Sir,

Your most obedient servant,

for Deputy Commissioner,
Shimoga District.
